ABOUT NATH SANSKRITI SEVA SANSTHAN

INTRODUCTION

We Nath Sanskriti Seva Sansthan has been working for the helpless people that include Handicapped, Widows and Orphans by fulfilling their basic needs like food, shelter, clothing, medication and education. Our aim to provide substantial and meaningful assistance to the people who are facing difficulties in their life. To make the Earth green and pollution free. To live in a society without any gender discrimination. Provide 5 fundamental needs to all (Home, Food, clothes, Education and Medication). Individually we may not be able to change the world but together we may bring a considerable change. The organization undertakes the projects under the broad areas like Green environment, livelihood, healthcare, education, women empowerment and food for hungry & destitute.

VISION

Service to Humanity is Service to God

MISSION

To Support the orphans, widows and disabled people to pursue their goals in life by providing quality education, skill training and health care services.

GOALS

- To run an orphanage with all basic amenities. To provide quality education and safe environment for underprivileged children.
- Medical support for needy communities. Medical equipment support in government hospitals.
- Women empowerment programs & Gender equality. SHGs formation for rural development. Menstrual health & hygiene camps for women.
- Support the suffering communities in all the manner.
- One step towards Green and clean environment.

ACTIVITIES

- Support orphan & poor children
- General health & hygiene awareness camp, Medical camps & Medical equipment distribution
- Plantation & Environment awareness camps
- Group marriage
- Quality education & Educational support
- Women Empowerment & SHGs
- Skill training programs for livelihood

Projects Under SDG - 2

SEWA

GROCERY DISTRIBUTION

End hunger, achieve food security and improved nutrition and promote sustainable agriculture

FOOD FOR ALL

'The State of Food Security and Nutrition in the World, 2020 report, 189.2 million people are undernourished in India. By this measure 14% of the population is undernourished in India. Also, 51.4% of women in reproductive age between 15 to 49 years are anemic. Further according to the report 34.7% of the children aged under five in India are stunted (too short for their age), while 20% suffer from wasting, meaning their weight is too low for their height. Malnourished children have a higher risk of death from common childhood illnesses such as diarrhea, pneumonia, and malaria.

To achieve the zero hunger initiative, Nath Sanskriti Sewa Sansthan in partnership with several credible organisations, distributed cooked meals packets to daily wages works and labors in villages and outskirts of Jaipur. We also distributed grocery kits to orphans, widows and in need families. In financial year 2021, we distributed around 13,000 grocery kits and 1,80,000 cooked meals served with the support of Hero Moto Corp and 10,000 cooked meals with the support of Dr. Satish Puniya Ji.

SEWA

Corona virus break the flow of living and present the tough time we could ever imagine. During pandemic huge number of people lost. Some are struggling for jobs and some are for their basic needs. Day after day the situation is getting worst. People are starving and in need for food.

Nath Sanskriti Seva Sansthan with support of Hero MotoCorp, takes an initiative to distribute grocery kits to needy communities like: Orphans, Widows, Physical Disabled and poor people in rural areas. We provided grocery kits.

Through this project we connect to as much as village villages and provided relief to Covid affected family by distributing 2100 ration kits

Medical Camp

**Ensure healthy
lives and promote
well-being for
all at all ages**

Nath Sanskriti Sewa Sansthan and National Institute of Ayurveda collaborate and organized free medical care in backward areas for in need people. We place camps in several villages. Through our medical camps and Ayurveda institute, we explain the benefits of ayurvedic medicines to people and gave them basic knowledge about the nearby available medical herbs. So villagers can help them self to cure fever, cough or any acute disease. 3 Medical camps organized in villages. The villagers also got 6,000 Ayurvedic syrup (Kadha).

Projects Under SDG - 4

SHIKSHA

REMEDIAL CLASSES

Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

SHIKSHA

Nath Sanskriti Sewa Sansthan in cooperation with Hero MotoCorp started a project Shiksha. The objective of the project is to keep students connect with studies during lockdown and enhance their learning and academic skills. Our priority are the children living in slums and backward areas. So we establish education center in rural and urban areas. Through this project we support unemployed teachers by giving them jobs during lockdown. At the end of the project we organized a fun cultural program for all students. Some students presented the dance performance, essay on women empowerment and many more programs.

Throughout the project we educate and nurture 500 student's skills and support children to achieve their fundamental right of education. Through this project we establish 10 education centers and provide 10 jobs.

REMEDIAL CLASSES

The poor children living in rural area does not have easy access to education. Some of the children even don't have enough resources to start their education. Many of them are unaware of importance of education and how education will help them to improve their family condition, way of living and their knowledge and personality. Some children struggle very hard for their fundamental right to education.

We met many children in poor areas and ran campaigns at their nearby places. Through campaigns we motivate and aware the poor children of slums and rural areas. We also kept running the previous remedial classes and added many new students to our education centers. In We also enroll many children in nearby schools and provide them with their fundamental rights. Our mission is to educate every child.

5 remedial classes in Amer and Jamwaramgarh block. 2 center in Paota, 2 center in rana ki basti, 1 nimdha ki dhani.

Paota

- 18 new school admission
- 21 registered in education center

Rano ki basti

- 10 new school admission
- 8 registered in education center

Nimdha ki dhani

- 6 new school admission
- 10 registered in education center

WOMEN EMPOWERMENT

SUSTAINABLE DEVELOPMENT GOALS

Projects Under SDG - 5

MHH programs & SHG

Jeevik

Achieve gender equality and empower all women and girls

JEEVIKA

The COVID pandemic had a detrimental effect on every sector of life. Financial part of every individuals and collective bodies are the most affected. So, Nath Sanskriti Seva Sansthan with Hero MotoCorp Ltd. Planed and started a project "JEEVIKA".

Through this project we work for development of unemployed widows and women living in rural areas. In this project we educated, trained and connect the women from market. We gave them training of skill development courses like (carpet making and Sewing). After 2 months of training we provide them with certificates and connect the trainees with market.

Now all the trainees are earning and supporting their families. They are creating and producing new designs and selling it in markets. Total 50 women learnt skills and started their own earning.

MENSTRUAL HYGIENE HEALTH & SHG

Lack of education about menstruation is one of the many barriers to achieving adequate menstrual hygiene worldwide. Mainly the improper knowledge about menstrual hygiene always create a misconception among girls and women. Sometimes their first period scared them very much.

We often go to schools, villages and slums areas to educate and aware the adolescent girls and women. We provide the proper guidance to manage their menstrual cycle and how to maintain cleanness during the cycle, for disease free environment. We also distribute sanitary pads and teach them how to use it.

Along with this education, awareness camps and pad distribution drives, we also train women to make pads at their home and form SHGs to start their small scale business of making pads and sell it and earn some extra income for their family. Total 10,000 pads distributed in several villages.

20 Self help Gropus got 5.Lac Loan to expand their small scale business.

PROJECTS PHOTOGRAPHS

TREE PLANTATION

SUSTAINABLE DEVELOPMENT GOALS

Projects Under SDG - 15

Tree Plantation Drive

Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification and halt and reverse land degradation and halt biodiversity loss

TREE PLANTATION DRIVE

As we evolving and using natural resources from nature, in exchange of all natural resources, we are not returning enough in nature. Soon we will left with very few resources.

In order to return, what we have taken from the nature and improving the environment health for upcoming generation, we distributed 350 fruits and shady plants in villages. Along with plants, the beneficiaries got sleepers and grocery kits and sanitary pads by the support of Robin Hood army and Academy Greens. We also talk with farmers and motivate the farmers to protect and grow more and more plants.

350 plants distributed in Paota village, Jamwaramghar, Jaipur.

BLANKET DISTRIBUTION

In winter season, many people lost their lives due to cold or does not have proper resources to keep them warm from cold weather. The most of them are poor or helpless people like Orphan, Widows and Physical disabled and kicked out old parents. There are very few people who take care of these peoples and help them in need. We always stand for them and provide them relief and help as much as possible.

In this financial year we distributed blankets to needy communities. We invite and encourage others to come and support the in need society, as we do.

1500 blanket distributed

FESTIVAL WITH CHILDREN

Festivals are the happiest moments of life. It always brings smile on face and joy in heart. Celebrating with others can multiply the joy and happiness. Along with the moments people also share gifts and sweets. We always love to share the festivals with our grand family (all beneficiaries)

We not only support our beneficiaries, we also share moments and try to build a healthy bond with orphans. We distributed gifts and sweets to orphans on Diwali, Christmas and New Year. We not only look after of their basic requirements, we also take care for their mental health.

SPECIAL DISTRIBUTION DRIVE

A life brings countless struggles with it and it became even worse for a disabled person. These communities are the most suffering groups. For being a part of human society It is our duty to provide help and support to these communities.

Nath Sanskriti Seva Sansthan in partnership with Mahaveer viklang samitii and Robinhood army, organized a special distribution drive in Amer, Jaipur. In this drive we Our chief guest Dr. Satish Puniya Ji distributed In this program we provide 15 wheelchairs, 100 Tricycle 250 crutches and 480 grocery kits to in need people. The maximum number of beneficiaries are from villages and under-privileged rural area.
